## **MANAGING DIRECTORS REPORT 2011**

In this, my fourth Annual Report as Managing Director of the SALAA Board, I would like to thank all of the Board and Office Staff for the assistance they have provided me to ensure the ongoing success of our organisation.

### ***Administration***

- The number of affiliated Centres and Clubs in South Australia is 59 which includes the Coaches and Officials Clubs.
- Athlete Registrations for 2010/2011 were slightly greater than last year's figures. Given the poor weather conditions at the beginning of the season this result is very pleasing.
- This season we lost 2 small country centres but on a positive note we are currently in discussion to form a new Little Athletics Centre based at Arno Bay on the West Coast.

### ***Education***

- It is encouraging to see so many new Officials and Coaches being educated during the season. Congratulation to all attendees and a very big thank you to all of the presenters who volunteered their time.
- Squad LA continues to be our success story for developing the athletes to reach higher standards, 110 athletes joined the program and we look forward to watching their progress over the years.
- The schools development program is maintaining a presence within the school community and also remains one of our top marketing strategies.
- The Nunga Come & Try day has now developed to the status of Championship Event. We deferred this event as Santos Stadium was not available. The event will be conducted later in the year, however we did provide an educational session based on the 'How to help at Little Athletics' Booklet whereby we touched on the basics of Officiating. This was very successful with many indigenous parents attending this will assist us on the day of the Nunga Championships. The grant we received from the State Government will assist us in further developing the event.

### ***Major events and Championships***

- With the long awaited resurfacing of the track at Santos Stadium being carried out during this season it provided a few challenges to our organisation. With only one event being relocated to the Salisbury East facility and minimal disruption caused by a tight schedule at the end

of the season I must congratulate all of those involved for providing a successful season of competition.

- Congratulations to our state team in performing even better than expected. Winning our first ALAC trophy ever in the Alan Triscott Handicap Cup was a privilege to have witnessed.

### ***Sponsorship***

- How fortunate are we having IGA as our major sponsor. The relationship we have is excellent. IGA will continue to financially support our five Volunteer awards that were presented for the first time last season. We are very thankful for their involvement with Little Athletics and are pleased to report that we have signed a further five year agreement. We look forward to growing this relationship as we progress.
- South Australian Government through the Office for Recreation and Sport have been a tremendous supporter of our Association as they recognise we are the base for any sport young people may wish to pursue as well as a feeder to the sport of Athletics. We continue to work with them in promoting the many important Health and Safety messages, ensuring we have as many people actively participating or volunteering in the community. We have received a 2 year grant for our core business and a 2 year grant for the conduct of the Nunga Championships.
- McDonalds have renewed their agreement for a further year and will continue to be the sponsor of our winter Cross Country Program, State Cross Country Championship, Age Patch, Multi-Event Championships and Travel Grants for Country Athletes.
- A big thank you to our National Sponsors:
  - Asics
  - Willis Insurance
  - Athletes Foot
  - IGA.

On behalf of the 6500 plus athletes and their parents, we thank these Sponsors for their belief in our organisation.

### ***General***

- Brittany Winter has completed her traineeship and we have employed her on full time basis. Brian Sard has continued to support our administration as required on a casual employment agreement. Brittany and Brian have provided excellent administrative backup for Pam Sard our Executive Officer who has dealt with the many additional challenges that this season has presented.
- Many of our Centres have benefitted from the Active Club Grants that are available twice a year. These grants have been utilised mainly for timing gates and long jump run-up's. Technology is fast replacing many volunteer positions at Centre and Association level hopefully it does not replace the family and voluntary aspect of our Association.

- For the first time since I joined the board Athletics SA had a representative present to one of our board meetings to discuss pathways for our athletes. Discussions are currently occurring for a joint board meeting to be held in the near future.
- Without a doubt the highlight of this year was winning the Alan Triscott Handicap Cup at the ALACS.
- We have started the planning phase for the forthcoming season when our Association Celebrates the 40<sup>th</sup> Season of Little Athletics in South Australia, it will indeed be a ruby red season.

It has been a great privilege to serve as a member of the SALAA board over the past 6 years, and to work with such a dedicated team of members. Thanks to all of you who have assisted during this time, ensuring that our sport has been a success. The reward of being involved with the success and appreciation of the athletes has been well worthwhile.

It is due to the appreciation and rewards of being involved that I have decided to stand for another 2 year term in this position, I look forward to the successes that we can all share together over this period.

Scott Pitts  
**MANAGING DIRECTOR**

*Local Heroes*

## **DEPUTY CHAIRPERSON'S REPORT**

It is with pleasure that I present my Deputy Chairperson Annual Report from the 2010/2011 Season.

It was a year of many challenges for the Association and its affiliates.

The resurfacing of the Santos track was long overdue and resulted in some rescheduling of dates and outside venues to accommodate this upgrade. A big thankyou to all Centres for your assistance, understanding and attendance at the meets.

Despite the challenges faced with our major Stadium inaccessible for most of the season, the Association and its centres has managed to maintain around about the same number of registrations compared to the previous season. It is still a challenge to all Centres to devise strategies to retain the members and reduce the average of 50% new members that register each year.

I will let the other Directors and Managers give the update from the State Team trip to the Australian Little Athletics Championships in Sydney, but I would like to pass on my hearty congratulations to the State Team Selectors, lead by Steve Holland and also to the State Team Coaches and Managers who travelled with the Under 13 & 15 State Teams. What a fantastic result for S.A. Little Athletics.

Another year has flown past and, whilst busy with my own work commitments, I have managed to stay in touch with all the great things the Executive Officer and the Board of Directors get exposed to and make decisions on. I had the fantastic honour of attending Melbourne early in the year to represent the Board and State at the Little Athletics Australian Board of Management meeting. This opened my eyes to how we as a State are involved at a National level and where some of the directions come from that affect us as a State. It also made me appreciate the role of the Managing Director and the time involved in responding to enquiries in just the short time Scott was away. No more holidays for you Scott!

A big well done and thankyou to the other Board members for their availability and input throughout the year, some great work to do in the following year that can really make a difference for our Association moving forward.

It is my duty every year to repeat myself with the huge admiration I have for our full time (most weeks unpaid full time and a half!) Executive Officer, Pamela Sard. Her untiring work ethic is awesome and should be cloned and rolled out into the general population! Thankyou to Brian to for making himself available during the busy times and also to Brittany for her first full year in the support role for Pam and the office.

Good luck to all for the up and coming 2011/2012 season and I urge all the Little Athletics Centres to register early for the 2011 S.A. State conference. I say this every year as well, but I strongly believe that the conference is a fantastic way of networking ideas between Centres. It is a great way to induct new committee members and exchange ideas on recruitment, local area sponsorships, advertising, coaching, obtaining grants, etc. It is an excellent investment by your Centres to send a couple of delegates. It is a great forum to utilise the strength of your network of Little Athletics Centres around your area and with in the State. It is also really good fun! I will let Pam reveal the theme at the AGM.

Once again, good luck for the 11/12 season, let's all strive to recruit more volunteers and Little Athletes into your Centres to keep the Association vibrant and healthy.

Steve Fairfield

**DEPUTY CHAIRPERSON**

## **ADMINISTRATION DIRECTORS REPORT**

It is with great pleasure that I present my first director's report to the South Australian Little Athletics Association for the 2010/2011 season.

This year has been busy, exciting, challenging and very enjoyable. I sincerely thank my fellow Board members and the Association Administration staff for their patience and support during my first year as part of the team.

Thank you to the Centre Management Committees, Parents, Officials and Coaches for continuing your involvement as volunteers with Little Athletics in South Australia. The Association and our athletes are dependent on the honesty, skills and dedication of these volunteers, whose main focus is to provide a safe and healthy environment for Little Athletes of all ages and abilities.

Once again Willis Australia, our National Insurers have provided vital cover for our members and Centres. These policies include cover for Property & Equipment and Personal Injury. Centre Committees have a responsibility to their members to ensure that their Asset List is current and Risk Management procedures are observed, including National Police clearances for Committee Members and Coaches.

Personal injury claims predominantly involved high jump and highlights the importance of event supervision and teaching correct techniques to specific age groups. Other claims involved theft and wind damage. It is essential that all Claim Forms are completed fully and submitted to the Association Office as soon as possible after the event to ensure a fast, positive result for your Centre.

The Department of Families and Communities has commended our Association for its commitment in meeting the minimum requirements to establish a safe environment for children and young people. The Personal Protection & Intervention Policy (refer to Conference folder) is proof of our commitment to ensuring our young athletes and volunteers feel safe at all times.

This year has presented many challenges with possibly none greater than the Santos Stadium redevelopment and the flow on effect it had. The Association Board, Administration staff, Officials Club and all volunteers must be congratulated on their work ethic and clear thinking, in particular the State Relay Championships at Salisbury East and the remaining State Events at Santos being programmed close together. Everyone involved should be very proud of their achievements this year in dealing with these challenges.

I would like to wish all Centre Management Committees the very best for Season 2011/2012 and sincerely thank the Association for giving me the opportunity to contribute to our fantastic organisation.

Be your best.

Steve Holland

**ADMINISTRATION DIRECTOR**

## COMPETITION & TECHNICAL DIRECTOR'S REPORT 2010/2011

It is my pleasure to present my report for the 2010/2011 season.

### ***2010 McDonald's Cross Country Season***

Thank-you to the 9 Centres who conducted a Cross Country meeting during the season, especially to Hills LAC who conducted two meets. Total attendance for the season was 1558, with an average attendance of 155 at each SALAA meet.

The championships were conducted by Salisbury East LAC at Carisbrook Reserve. 217 athletes participated in the championships, a slight increase on the previous year. Congratulations to the Flinders LAC for taking out both the boys and girls shields.

### ***'be active' Regional Games***

Congratulations to those centres who hosted the eight 'be active' Regional Games. By all reports, these events were all very successful, thanks to the hard work of those volunteers organising the events.

### ***IGA State Relay Championships***

For the first time in 15 years, an Association Championship event was conducted away from the State facility. While there were certainly some doubts leading into the championships, I believe the IGA State Relay Championships at Salisbury East LAC were a great success. I'd like to thank the Salisbury East LAC for their awesome effort in preparing their grounds and coordinating the catering for the championships. Thank you also the participating Centres for your patience and understanding with the alternative arrangements – this was particularly important for the success of the event.

549 teams representing 29 centres participated in this season's championship, which was less than last year, primarily due to the poor weather at the start of the season effecting centres' ability to form teams.

Congratulations to Eastern Districts LAC for their outstanding performances on the track to retain the Champion Centre trophy, and to Plympton LAC for taking out the Lou Moyes Most Improved Centre trophy. The March Past trophy was won by Barossa Valley LAC.

### ***McDonald's State Multi Event Championships***

The Multi Event Championships represented our return to Santos Stadium, and this was reflected in the record number of entries of 748 athletes keen to try out the new track.

The day ran extremely smoothly, thanks to the Officials Club and the volunteer officials and parents from all centres fulfilling their duties.

### ***'Aussie' Personal Best Day***

This year we welcomed Aussie as the new sponsor of Personal Best Day.

858 Little Athletes participated in around 3600 individual events on the day. This was an increase of last season, with many of our younger athletes keen to get on the new track.

Thank-you to those centres who fulfilled their obligations in providing officials at the events – Personal Best Day only works thanks to your contribution.

### ***‘be active’ State Individual Championships***

846 athletes from 46 centres entered in 2613 events for this year’s State Individuals which was consistent with last year’s entries.

The excellent conditions for the weekend saw a number of new State Best Performances being set. New records were set by Nikki Thompson (Ingle Farm, Under 11 Girls Shot & Discus), Lachlan Page (Munno Para, Under 13 Boys Shot Put), Brian Wilson (Eastern Districts, equalled Under 14 Boys 100m), Tayla Philis (Reynella East, Under 14 Girls 80m Hurdles), Aiden Miller (Under 16 Boys 1500m), Margaret Gayen (Under 17 Girls 90m Hurdles, Long Jump, Triple Jump).

Congratulations to Athletes of the Meet - Margaret Gayen (Eastern Districts) and James Lee (Mt Barker) on their outstanding achievements in their final season of Little Athletics.

### ***Conclusion***

The 2010/11 season certainly presented a challenge with Santos Stadium being unavailable for much of the year, but these challenges were able to be overcome thanks to the “can do” attitude from everyone in our organisation.

I’d like to thank the Officials Club committee for their fantastic job again this year. Our volunteer Chief Officials do a terrific job setting up, running events and packing away again after. Without the continued commitment and dedication of our officials, our Association events would not happen.

Our events would not be the successes they are without the outstanding support of our staff. I’d like to thank Pam Sard and her assistants, Brittany Winter and Brian Sard, for their fantastic efforts.

To the Board, thank you for your support during the season. Your contributions to our events on and off the field are very much appreciated.

Finally, thank-you to all the hard working centre personnel, who between you stage around 1000 Little Athletics meets each year. Your efforts are what make Little Athletics a great organisation to be involved with.

Greg Peterson  
**COMPETITION & TECHNICAL DIRECTOR**

## **EDUCATION DIRECTORS REPORT:**

The 2010/2011 Season has been a successful year even with the disruptions of Santos Stadium being refurbished. There has been a number of coaching and official's courses held during the year with mainly the same centres requesting them each year. This is beneficial for the centres concerned but it would be nice for some of the other centres to become involved. The courses are being held for the benefit of the centres and assist them in the general running of their competition sessions, so please consider how they may help you.

A special thank you to all the volunteer Lecturers who conducted these courses on behalf of the Association, without your assistance there would not be any coaches or officials at centre level or association events. It was pleasing to see more people put their hands up to assist.

Congratulations to all the parents who completed these courses we trust what you learnt was of benefit to you and your centres. Well done also to the ones that have progressed to attain a 'B' grade qualification or level 1 coaching accreditation.

The Centres that have held courses during the 2010/2011 season are as follows; Whyalla, Penola, Campbelltown, CYP Maitland, Flinders, Lyndoch, Mildura, Mt Barker, Henley, Torrens Valley, Clare, West Lakes, Waikerie, Hills, Elizabeth, Hallett Cove, Renmark, Enfield, South Coast, Adelaide Eagles, Tea Tree Gully, Mount Gambier, Golden Grove, Woodville

### ***Squad LA:***

This group continues to grow with many of the under eleven age group looking forward to when they can join. The standard of the athletes concerned has certainly improved as the season has progressed and I believe they have enjoyed the sessions. Thank you to all those who took part your behaviour and attitude made the days all that more enjoyable. Thanks also must go to the coaches who gave up their spare time to help our young stars of the future improve their skills. It was also pleasing to see some of the parents go out and watch at close hand and hopefully they will have learned enough to help their child or centre continue to improve those skills.

### ***Holiday Coaching Clinics:***

This was a very successful week with most athletes achieving personal best performances on the final competition day. This year's clinics was held out back in the training area where parents could get a lot closer and feel more part of the week. The fact there was a lot of shade was of benefit and may be used again on particularly warm days. The coaches used were a mixture of experience and youth and I am sure the athletes appreciated the ability of our young coaches demonstrating the drills. Thank you to all who participated on a great week that we believe everyone enjoyed.

### ***Event Specific Training Sessions:***

Started off very slowly with only Flinders athletes and parents turning up but as the year progressed more centres became involved which made the days much more worthwhile. A lot of centres are just

not passing information along to athletes and parent members not only on this event but also coaching clinics, Squad LA, or even events like Personal Best Day or Multi Event Championships which is certainly not helping grass roots athletes.

Let's start off next season with all centres letting all members know what is available to them either by news letters or posters or any other ideas you may have. If you are doing something that is working well at you centre let us know.

Bruce Smith  
**EDUCATION DIRECTOR**

**be active.**

## RESOURCE DIRECTORS REPORT

As Resource Director of SALAA I am pleased to present my third Financial Report, for the year ending 30 April 2011.

The operating loss for the 2011 financial year was \$65,544, against a budgeted profit of \$3,100.

All sponsorships were retained in the 2010/11 financial year, and expenses were in line with budget.

The variance relates primarily to the introduction of an Annual Leave provision of \$67,646, which had previously not been accounted for. See Notes 1c and 6 of the audited financial statements.

The fee structure for the 2011/12 financial year will not change from 2010/11 as follows:

### 2011/12

#### Registration Fees:

- All age groups	\$35
- Maximum per family	\$85
- Athletes registered on or after 1 Feb 2012	\$25
- Maximum per family registered on or after 1 Feb 2012	\$60

#### Nomination Fees:

- State Individual Championships	\$3/event
- State Relay Championships	\$10/team
- Multi-Event Championships	\$5/athlete

Programs sold at Association Events	\$2
-------------------------------------	-----

#### Affiliation:

- Centre Affiliation Fee	\$60
--------------------------	------

In 2010/11 we again negotiated with the Office of Recreation and Sport, to provide free entry to Santos Stadium at all association events. We expect to be able to offer this again in season 2011/12 and beyond.

I look forward to seeing you at the annual conference in August 2011 where I will present my 2011/12 season budget for approval.

Kylie Gibbons  
**RESOURCE DIRECTOR**

**INVESTMENTS INSURANCE  
SUPERANNUATION**

**South Australian Little Athletics Association Inc.  
A.B.N. 40 290 914 982**

**COMMITTEE'S REPORT**

Your committee members submit the financial report of the South Australian Little Athletics Association Inc. for the financial year ended 30 April 2011.

**COMMITTEE MEMBERS**

The names of the committee members throughout the year and at the date of this report are:

Scott Pitts  
Greg Peterson  
Bruce Smith

Steve Fairfield  
Steve Holland  
Kylie Gibbons

**PRINCIPAL ACTIVITIES**

The principal activities of the association during the financial year were to promote and provide athletic events and activities to the members of the association.

**SIGNIFICANT CHANGES**

No significant change in the nature of these activities occurred during the year.

**OPERATING RESULT**

The loss from ordinary activities after providing for income tax amounted to \$65,544.

Signed in accordance with a resolution of the Members of the Committee.

Chairman

Scott Pitts

Resource Director

Kylie Gibbons

Dated this 18th day of May 2011

**NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 APRIL 2011**

**NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES**

This financial report is a special purpose financial report prepared in order to satisfy the financial reporting requirements of the Associations Incorporation Act of South Australia. The committee has determined that the association is not a reporting entity.

This financial report has been prepared in accordance with the requirements of the Associations Incorporation Act of South Australia and the following Australian Accounting Standards:

- AAS 5      Materiality
- AAS 8      Events Occurring After Reporting Date

No other applicable Accounting Standards, Urgent Issues Group Consensus Views or other authoritative pronouncements of the Australian Accounting Standards Board have been applied.

The financial report has been prepared on a cash basis and is based on historic costs and does not take into account changing money values, or except where specifically stated, current valuations of non-current assets.

The following material accounting policies, which are consistent with the previous period unless otherwise stated, have been adopted in the preparation of this financial report.

**a.      Income Tax**

The association adopts the liability method of tax-effect accounting whereby the income tax expense shown in the income and expenditure statement is based on the operating profit before income tax adjusted for any permanent differences.

Non-member income of the association is only assessable for tax, as member income is excluded under the principal of mutuality.

**South Australian Little Athletics Association Inc.**  
**A.B.N. 40 290 914 982**

**b. Fixed Assets**

Leasehold improvements and office equipment are carried at cost, less, where applicable, any accumulated depreciation.

The depreciable amount of all fixed assets are depreciated over the useful lives of the assets to the association commencing from the time the asset is held ready for use. Leasehold improvements are amortised over the shorter of either the unexpired period of the lease or the estimated useful lives of the improvements.

Sporting and non-sporting equipment is not depreciated. All replacement equipment is expensed in the year of purchase.

**c. Employee Benefits**

Provision is made for the Association's liability for employee benefits arising from services rendered by employees to the end of the reporting period. Employee benefits that are expected to be settled within one year have been measured at the amounts expected to be paid when the liability is settled.

**South Australian Little Athletics Association Inc.**  
**A.B.N. 40 290 914 982**

**STATEMENT BY MEMBERS OF THE COMMITTEE**

The committee has determined that the association is not a reporting entity and that this special purpose financial report should be prepared in accordance with the accounting policies outlined in Note 1 to the financial statements.

In the opinion of the committee the financial report as set out above:

1. Presents fairly the financial position of the South Australian Little Athletics Association Inc as at 30 April 2011 and its performance for the year ended on that date.
2. At the date of this statement, there are reasonable grounds to believe that the South Australian Little Athletics Association Inc. will be able to pay its debts as and when they fall due.

This statement is made in accordance with a resolution of the Committee and is signed for and on behalf of the committee by:

Chairman

## Committee's Report

In accordance with section 35(5) of the *Associations Incorporation Act (SA) 1985*, the committee of SA Little Athletics Association Inc state that, except for remuneration (ordinary salaries and accrued leave entitlements) received as an employee of SA Little Athletics Association Inc:

- (a)
  - (i) no officer of the association
  - (ii) no firm of which an officer is a member
  - (iii) no body corporate in which an officer has a financial interest has received or become entitled to receive a benefit as a result of a contract between the officer, firm or body corporate and the association
- (b) during the year ended 30 April 2011, no officer of the association has received directly or indirectly from the association any payment or benefit of a pecuniary nature other than the payments detailed above.

Signed in accordance with a resolution of the Committee for and on its behalf by:

Scott Pitts  
Chairman  
Date : 18 May 2011

## **INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF SOUTH AUSTRALIAN LITTLE ATHLETICS ASSOCIATION INC**

I have audited the accompanying financial report, being a special purpose financial report, of South Australian Little Athletics Association Inc, which comprises the Statement of Financial Position as at 30 April 2011, the Profit and Loss Statement for the year then ended, notes comprising a summary of significant accounting policies and other explanatory information, and the Statement by the Committee and the Committee's Report.

### ***The responsibility of those charged with governance***

The members of the Committee are responsible for the preparation of the financial report and have determined that the basis of preparation described in Note 1 to the financial report is appropriate to meet the financial reporting requirements of the South Australian Little Athletics Association Inc and are appropriate to meet the needs of members. The Committee's responsibility also includes such internal control as the Committee members determine is necessary to enable the preparation of a financial report that is free from material misstatement, whether due to fraud or error.

### ***Auditor's responsibility***

My responsibility is to express an opinion on the financial report based on my audit. No opinion is expressed as to whether the accounting policies used, as described in Note 1, are appropriate to meet the needs of the members. I have conducted my audit in accordance with Australian Auditing Standards. Those standards require that I comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation of the financial report that gives a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates used by directors, as well as evaluating the overall presentation of the financial report.

**INDEPENDENT AUDITOR'S REPORT  
TO THE MEMBERS OF  
SOUTH AUSTRALIAN LITTLE ATHLETICS ASSOCIATION INC**

The financial report has been prepared for distribution to the members for the purpose of fulfilling the governing committees' financial reporting requirements under the constitution. I disclaim any assumption of responsibility for any reliance on this report or on the financial report to which it related to any person other than the members, or for any purpose other than that for which it was prepared.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

***Independence***

In conducting my audit, I have complied with the independence requirements of the Australian professional accounting bodies.

***Basis for Qualified Audit Opinion***

As is common for organisations of this type, it is not practicable for South Australian Little Athletics Association Inc to maintain an effective system of internal control over registration fees, subscriptions and other fundraising activities until their initial entry in the accounting records. Accordingly, as the evidence available to me regarding revenue from these sources was limited, my audit procedures had to be restricted to the amounts recorded in the financial records. I am therefore unable to express an opinion whether revenue of South Australian Little Athletics Association Inc obtained are complete.

***Qualified Audit Opinion***

In my opinion, except for the financial effects, if any, of the matters described in the above Basis for Qualified Audit Opinion paragraph, the financial report presents fairly, in all material respects, the financial position of South Australian Little Athletics Association Inc as at 30 April 2011 and of its financial performance for the year then ended in accordance with the accounting policies described in Note 1 to the financial statements.

***Basis of Accounting and Restriction on Distribution***

Without modifying my opinion, I draw reference to Note 1 to the financial report, which describes the basis of accounting. The financial report has been prepared to assist South Australian Little Athletics Association Inc to meet the requirements of the *Associations Incorporation Act (SA) 1985* and the Association's Constitution. As a result, the financial report may not be suitable for another purpose.

## EXECUTIVE OFFICERS REPORT

It is my pleasure to present my report to the Annual General Meeting of the South Australian Little Athletics Association.

After an exciting and positive State Conference, we held great hopes that this season would be full of positive energy especially with everyone raring to go. So it is a fantastic effort that despite a few minor setbacks such as heat, rain, wind, and more rain, the unavailability of Santos Stadium for six months that we have as an Association met the challenge.

The end result is that we have continued to advance the achievements of the Association, within centres and throughout the general community and have fulfilled our Strategic and Operational Plan commitment that includes an increase in membership.

We are not naïve to appreciate that other sports also are competing for participation of children in team sports and individual activities. Therefore, development of skills cannot be seen for athletics only. Our Association is the foundation for children to achieve personal goals in coordination, balance, confidence and social activities. This has been achieved again this season through the efforts of our Centre Committees, and your members. I am so proud to have had the privilege to work with you all during the season and to see many Centres reach the potential they have.

The Financial report has shown we have a sound financial base. The future direction of the Association is dependent on financial viability. We must thank and support our Sponsors and the State Government, for without their continued involvement, our task to provide and deliver athletic activities across the state would not be possible at the cost we currently enjoy.

In addition sponsorship is no longer a given because of the 'warm and fuzzies'. To be successful and maintain our sponsorship we must give the sponsors a return on their faith in our organisation by supporting the products that they represent and more importantly give added value. We cannot lose sight of the importance of sponsors as without their support, the sport of Little Athletics would not continue to be a low cost family activity.

A sincere thank you goes to the Centres who have supported our Major Sponsor IGA, McDonald's, Aussie and the State Government's 'Be Active' programmes. Nationally we acknowledge Asics, The Athletes Foot, AXA and Willis our national insurers for their continued support.

This season we supported Asthma SA with the conduct of the 'Kids Marathon' although this event was not supported to the extent we had hoped we certainly acknowledge and thank those Centres who did. We are sure the funds raised will enable important research for those children who suffer with asthma.

We managed the weather conditions at the start of the season however our Little Athletics Centres in Queensland were not so fortunate. The generosity of our Centres was very humbling and was really appreciated by those Centres in Queensland who not only benefitted from the direct donation but just to know someone cared lifted their spirits. Thank you to those Centres who were so generous.

Every Little Athletic Centre will have Committee Members who will not continue or will take a lesser part to make sure there is continuity, we say thank you for your valuable contribution. Hopefully

centres will continue to support the IGA Volunteer Awards to recognise their volunteers. At the State Conference awards were presented to Hills LAC – Administration Award; Hills LAC – Centre Marketing Award; Angus Balfour – Volunteer Coach of the Year; Kathy Lambert – Volunteer Official of the Year; Craig Davison -Volunteer of the Year Award for their contribution. We congratulate all those who were nominated; you were all worthy nominees.

We are grateful to the Officials Club and Coaches Club for ensuring our education programmes continue. We particularly acknowledge those lecturers from both clubs who have travelled extensively to provide officials and coaching courses; the number of members who have attended the courses has been outstanding. This knowledge will ensure our young athletes will have the basic skills to begin with and those who achieve accreditation as a ‘C’ Grade Official hopefully will continue to achieve a ‘B’ Grade standard.

Our LAPS Programme in Primary Schools continues to flourish through the work of our Casual Development Officer, Paul Townley. We thank Paul who represents the Association with great enthusiasm in providing our programme upon request from schools in the Metropolitan and Country areas. All students taking part in the programme receive a certificate and ruler and all participating schools receive a Little Athletics Coaching Resource.

Our partnership with SAPSASA continues to develop, with the provision of officials for the Country and Metropolitan Championships and two Coaches to travel with their State Team. Our sincere thanks to those members who gave time to officiate at the championships, your assistance was appreciated. Many of our Centres host SAPSASA District Days; these opportunities are a great marketing tool and provide a link with schools which is important to maintain growth.

The Advertiser Junior Sports section is an ideal opportunity to acknowledge the efforts at grass roots. Barossa Valley, Salisbury, Salisbury East, Ingle Farm and Lyndoch appear to be the only Centres who take advantage of the offer that is free to not only promote their Centres but to encourage their athletes. During the season we have seen some excellent media coverage in the local Messenger Press some of the photographs have been of great value as they clearly show our sponsors branding which is an added bonus.

This season we have utilized the marketing dollars through additional advertisement in the Messenger and local newspapers at the commencement of the season and later in the season, Advertiser Supplements, Adelaide’s Child, and the Hills Weekender. Channel 9, Winn TV sponsored our television commercial throughout the State and McDonald’s sponsored our television commercial at the start of the season. Posters and leaflets in abundance were provided to Centres. The Association and ALA websites have also attracted many families to Little Athletics; this form of marketing will continue to grow. However we must not forget that recommendation by word of mouth is a powerful tool.

The most fundamental issue facing us today is our profile in the community. To maintain our presence in the community we must promote ourselves as a family values activity. Never be shy in promoting the virtues of Little Athletics as a sporting activity which develops motor skills at a young age. The ability of young athletes to develop fit and healthy lifestyles early enables them to participate in sporting activities for the rest of their lives.

It is no easy job selecting twenty-four under 13 athletes and four under 15 athletes from all the talented athletes we have in our Association to represent South Australia at the Australian Little Athletics

Championships. I take my hat off to Steve Holland, State Team Administrator and Selectors Andrew Simister, Trevor Orman, Bruce Smith and Debbie Gayen who spent long hours in deliberation to select the best team possible to score points for SA. For the first time ever our athletes were successful in winning the Alan Triscott; Handicap Cup well done to Team SA. The young athletes were in very safe hands with the travelling Team Management of Carolyn Gray, Gaby Philis and Coaches Bruce Smith and Debbie Gayen who ensured all their needs were met both on and off the track.

To be effective whether at centre or association level we need support. I have been very fortunate to have had tremendous support from Brittany who has stepped up from a Trainee to Administration Assistant and to Brian throughout the year, thank you troops.

To Scott, and the Board of Directors your contribution to this Association has been outstanding in a particularly challenging year, I am sure I speak on behalf of members as well as myself in thanking you for your time and dedication.

As we celebrate forty years of Little Athletics in South Australia the future is exciting. Many issues, some practical, some entirely new are in front of us. You as committee members and members are equal to the challenge to make sure that this vibrant association goes from strength to strength and continues to encourage children of all ability levels, at a near location and at low cost.

Thank you to you all for being such an inspiration, we look forward to working and celebrating the first forty years of Little Athletics in South Australia with you throughout the coming year.

## **STATE TEAM REPORT – SYDNEY 2011**

South Australian Little Athletics Association participated at the 2011 Australian Little Athletics Championships at Sydney Home Bush Stadium on Saturday 30th April.

The young athletes selected were very talented and a great bunch of athletes to represent South Australia.

We stayed at the Quest Rose Hill which was a great location and close to the restaurants and activities that we needed.

We hired a 32 seated coach and a small car to transport us to and from all our activities, there was lots of singing emulated from both vehicles during our trips around Sydney.

We arrived Thursday lunchtime and headed straight to a BBQ to meet the other teams and swap badges after which we boarded a boat to cruise the Sydney Harbour. After the cruise we took a short walk up the hill to the Civic Reception.

Friday found us chilling out at our accommodation. Mid morning we headed off to the competition track for familiarization and that was where some of the butterflies set in!! Following our familiarization session we had a tour of the ANZ Stadium and a bit of shopping at DFO Home Bush.

Saturday, Competition day had arrived and so did the rain, again and again. But the rain didn't dampen our spirits at all once we arrived at the track.

Our athletes performed excellent Personal Best Performances and with that we reaped 4 Gold Medals and 4 Bronzes Medals and the BEST OF ALL the Alan Triscott Handicap Cup which has never been won by South Australian Team before!

After lots of photos and excitement we headed to Rose Hill Bowling Club where we enjoyed 'an all you can eat' meal with the parents, then over the road to the Code Red for a game or two of laser skirmish.

Sunday travelled by coach to the Sydney Taronga Zoo for a look and lunch prior to our trip home late afternoon.

Thank you to the Parent Co-coordinators; Cathy Lambert and Julie Simister for organizing support merchandise and parents dinner at such short notice. A job well done and appreciated by all parents.

On behalf of the Management Team Carolyn Gray, Gaby Philis, Bruce Smith and Debbie Gayen, we extend our thanks to the S.A.L.A.A. Board of Directors for the opportunity to be part of a successful 2011 S.A.L.A.A State Team
