WHAT DOES LEVEL 1 ENTAIL?

Candidates must complete online learning and pass a multiple-choice quiz. The learning and quiz will focus on ensuring the candidate has a basic understanding of the rules of the discipline they are attempting.

AAOES Level 1 is made up of 12 separate courses:

Track, Starting, Long Jump, High Jump, Pole Vault, Triple Jump, Hammer Throw, Javelin, Discus, Shot Put, Walks, and Out of Stadia.

Within each course, there are four (4) modules, each with their own content and quiz attached: Rules, Officials & Communication, Equipment, and Risk Management.

Below this is a filter bar with "All" (highlighted in red), "Current", "In progress", "Not started", "Completed", and "Expired". The main content area shows a course card for "Level 1 Officiating - Long Jump" with a status of "Incomplete". The card includes a photo of a long jumper in mid-air, a ribbon icon, and buttons for "Launch" and "More".

Each course should take approximately 45-75 minutes depending on your prior knowledge of the event and/or athletics. All questions in the quiz are multiple choice.

Candidates can attempt as many of the courses as they like. Once you have completed all four modules and the competency quiz, you have finished the course and will be able to download your Certificate of Completion.
