# Athlete and Parent Information

There will be limited car parking in the sports precinct due to major events. So once the SA Athletics Stadium Car Park and Netball Car Parks are full, we recommend for people to park in the Bunnings Car Park and Homemaker Centre.

### HOT WEATHER PROGRAM

If the temperature forecast by the Bureau of Meteorology ([www.bom.gov.au](http://www.bom.gov.au)), at 4:10PM on Thursday and Friday (two days prior) is between 37°C and 40°C then the event will be conducted to the Hot Weather timetable. The Hot Weather Program is divided into two sessions from 8:00AM to 11:30AM and then 5:30PM to 9:00PM.

If the temperature reaches 41°C or above the event will be cancelled and rescheduled to the next available date.

### PARENT ASSISTANCE

Volunteers and parent assistance are a fundamental part of any Little Athletics centre meets. The State Individual Championships are no different and relies heavily on volunteers and parent assistance to operate.

Each Little Athletics centre has been allocated time slots for the varying events over the weekend. **Little Athletics SA ask that you please check with your centre coordinator, to see when your assistance is required.** Without the support of volunteers and parents, days like these could not be hosted for our wonderful athletes.

For those volunteering, our officials will provide you with a 'green vest' to wear while you are out on the track/field. It is also recommended that you bring sun protection items (hat, sunglasses, sunscreen, etc.) and a bottle of water with you. It is a requirement under the Work Health and Safety standards that anyone assisting are to wear enclosed shoes. Thongs and sandals cannot be worn on the field of play.

**Please note:** Volunteers are requested to arrive at their allocated site 15 minutes before the scheduled start time of their event to receive instructions from the chief official.

On behalf of Little Athletics SA staff and our Officials, your help and support is greatly appreciated!

### RULES OF COMPETITION

The State Individual Championships are conducted to the Little Athletics Australia *Standard Rules of Competition* and the Little Athletics SA *Competition Regulations 2023/24* as published on [salaq.org.au](http://salaq.org.au). These rules are based on the *World Athletics Competition and Technical Rules 2023 Edition*.

### CLASH OF EVENTS

When an athlete has a clash of events, they should let the Call Room Officials know when they are marshalling for their first event. **E.g., if you are marshalling for the Long**

## 2024 State Individual Championships

# Athlete and Parent Information

***Jump and have a 100m to go to during the event, tell the marshals so that they can make a note on the Long Jump sheet and the track sheet.*** The officials at the event will let you go directly to the event when you are required - you will not need to go back to the Call Room.

A Team Manager or parent can also check in for you at marshalling if you are at another event when you are due to marshall.

NOTE: Events always take precedence over medal presentations.

### COMBINED AGE GROUP EVENTS

A number of events have been combined across age groups/gender. Separate medals will still be presented for each age group and gender. This is in line with LAA Rules.

### CONDUCT OF EVENTS

Laned track events are scheduled to have heats and a final for each age group, except where there were only sufficient entries to conduct a straight final. Where there are heats and finals, progression to the final will be as follows:

Number of Heats	Progression
2	First 3 in each heat, then next two fastest times
3	First 2 in each heat, then next two fastest times
4 or more	First in each heat, then next fastest on time to have eight finalists

Finalists will be posted on the windows at the top of the grandstand approximately 30 minutes after the completion of the heats.

Note that under the hot weather program, track events will be held as timed finals.

For field events (other than high jump) all athletes will have three attempts, then the top eight athletes will have one additional attempt. The best performance over all four trials determines their place in the competition. Note that a countback as per Rule TR25.22 will be used in the case of equal placings. In combined age group events, the top eight athletes in each age group will receive an additional attempt.

For the high jump, the bar will start at a pre-determined height and be raised in 5cm increments until 6 athletes remain, then 3cm until 3 athletes remain, and then 2cm until the conclusion of the competition. In the case of equal performances, a countback as per Rule TR26.8 will be conducted to determine placings.

### PRESENTATIONS

## 2024 State Individual Championships

# Athlete and Parent Information

Presentations will be held as soon as possible after each event concludes. The first call for athletes to go to medal presentation area will typically be about 30 minutes after the event. This allows time for results to be checked and time for any appeals.

Athletes will be called to the Medal Presentation Area. This will be located on the Field just past the podiums. Athletes should report to the Medal Presentation Area as soon as possible after being called over the PA.

If an athlete needs to leave the venue before the presentation, please advise the Medal Presentation Area so other athletes are not kept waiting.

### UNIFORM

Correct centre uniform is required for all competitions. Uniform tops must have your current registration number & Coles age group patch securely attached.

Shorts must be in your centre's approved colour. They can have a small manufacturer's logo, no larger than 3cm x 3cm.

Athletes may wear undergarments underneath their approved centre uniform. Undergarment bottoms (leggings or bike shorts) must be the same colour as the approved centre shorts or black. Undergarment tops (long sleeve or t-shirts) must be the same base colour as the approved centre top or black or white.

Athletes may wear leggings of any length as an outer garment except in Race Walking events or where they impinge on the safety of the athlete in the event. If worn, they must be plain and the same colour as the approved centre shorts. For Race Walking events, only approved uniform shorts may be worn and they must be above the knee unless an exemption has been approved by the Competitions Director. This needs to be done prior to competition. See the Rules of Competition on the SALAA website for further information regarding exemptions from this rule.

Headwear worn during competition (i.e., while competing on the track or taking an attempt at a field event) may have a manufacturer's logo.

Failure to wear correct uniform may result in a yellow card being shown or disqualification from the event.

### FOOTWEAR AND SPIKES

1. Footwear is compulsory for **ALL** athletes in **ALL** events.
2. All shoes must be a running style shoe. A running style shoe is one that encloses the foot and is fastened with laces and/or Velcro.
3. The wearing of footwear with blades or cleats constructed of hard plastic **WILL NOT BE PERMITTED**.

### STARTING

Athletes will be marshalled to a position 1-2 metres behind the start line. They should remain in this position until the starter calls "on your marks", at which time they should approach the start line and take their mark.

### TRACK RUNNING

For athletes running in races not run entirely in lanes, there are some important rules to be aware of. Please click on the below link for more information:

### FAILURE TO PARTICIPATE (FINALS)

Athletes who compete in the heats of an event and qualify for the final are expected to compete in the final. Athletes may withdraw from the final if they are ill or injured. Athletes must notify either the Information Tent prior to the event, or the Call Room at the marshalling time, that they are withdrawing from the event. Failure to do so may result in the athlete being disqualified from competing in any further events.

### COACHING AREAS

Each field event site has a designated coaching zone which is marked with cones. Coaches (or parents acting as coaches) must remain within this zone and outside the fence. Athletes may go to the coaching zone to talk to their coach. Officials will indicate the coaching zone to all athletes at the commencement of the event. Athletes going to areas other than the designated coaching zone or receiving items over the fence are liable to a warning or disqualification by the referee.

### LONG JUMP BOARDS

## 2024 State Individual Championships

# Athlete and Parent Information

Under 9 and Under 10 age groups will use the 50cm take-off mat, with the foul line set 50cm from the edge of the pit.

Under 11 to Under 17 age groups will use the fixed boards positioned 2m from the edge of the pit.

### YELLOW AND RED CARDS

A Referee may show an athlete a yellow or red card. This would be for a breach of a technical rule, such as failing to go to the Call Room at the required time or wearing incorrect uniform. In some cases, a yellow card may be shown for disciplinary reasons.

A yellow card stays with the athlete throughout the competition. If they receive a second yellow card, this then becomes a red card, and the athlete will be disqualified and unable to compete in any events for the remainder of the competition.

In rare circumstances, a red card may be shown immediately in cases of extreme disciplinary issues.

### PROTESTS AND APPEALS

Protests concerning the result or conduct of an event may be lodged at this competition in the first instance to the relevant event referee. Please approach the Information Tent to facilitate protesting to the Referee.

An appeal to the Jury may only be made by a nominated Centre team manager. Appeals must be lodged on the required form, and accompanied by the appeal fee (\$50), through the Information Tent. The Information Tent can be found behind the grandstand. From 3pm onwards the Information Tent will be closed and a manned table will be located in the stairwell on the concourse at the top of the stadium.

### MOBILE DEVICES

Athletes must not bring mobile devices (phones, tablets, etc) onto the field of play. These should be left with a parent. Coaches may use a mobile device to show athletes pictures/video of their attempts at field events within the coaching area.

### FIRST AID

First Aid will be available in the First Aid room on the ground floor at the southern end of the grandstand. Athletes requesting strapping are advised they must supply their own tape.
