### PARENT ASSISTANCE

Volunteers and parent assistance are a fundamental part of any Little Athletics centre meets. The State PB Classic I is no different and relies heavily on volunteers and parent assistance to operate.

Each Little Athletics centre has been allocated time slots for the varying events over the weekend. **Little Athletics SA ask that you please check with your centre**

# Athlete and Parent Information

**coordinator, to see when your assistance is required.** Without the support of volunteers and parents, days like these could not be hosted for our wonderful athletes.

For those volunteering, our officials will provide you with a 'green vest' to wear while you are out on the track/field. It is also recommended that you bring sun protection items (hat, sunglasses, sunscreen, etc.) and a bottle of water with you. It is a requirement under the Work Health and Safety standards that anyone assisting are to wear enclosed shoes. Thongs and sandals cannot be worn on the field of play.

On behalf of Little Athletics SA staff and our Officials, your help and support are greatly appreciated!

## ARRIVAL AT STADIUM & PARKING

Athletes and families should aim to arrive at the stadium at least 1 hour before the scheduled starting time of their first event. Parking will be made available out the front of the Stadium and at the Netball SA carpark on the other side of Sir Donald Bradman Drive. If parking at Netball SA, access to the athletics stadium is via the underpass access road. Please check Netball SA calendar for any events that may affect parking. If you park at the Bunnings carpark, please be aware there are new restrictions in place and parking is limited to 2hrs only.

## FIELD EVENTS

Due to the large number of athletes in some field events, warm up trials will not be permitted. Athletes will be permitted to measure their run-ups for Long Jump, High Jump, Triple Jump and Javelin events. Athletes should bring their hat and water bottle to the event site.

## CLASH OF EVENTS

When an athlete has a clash of events, they should let the officials at the field event know at the start of the event that they have a clash. E.g., if you are at the Long Jump and have a 100m to go to during the event, tell the officials so that they can make a note. The officials at the event will let you go directly to the other event when you are required.

Athletes may return to the field event to complete their trials providing that the event has not finished. Athletes returning to the high jump must resume at the current height of the bar.

A Team Manager or parent can also check in for you at an event if you are at another event when you are due to marshal.
