

REGISTERING ON SPORT:80 FOR LITTLE ATHLETICS SA

Updated Guide — reflects the current Sport:80 registration platform

Changes in this version are marked **NEW/UPDATED** where the platform has changed since the last edition of this guide.

Account and Profile Creation

Account Access (Get Started)

Get Started screen — now includes an on-screen guide describing what to expect.

NEW: The Get Started screen now includes a short pop-up guide explaining that helpful tips will appear at key points throughout registration (look for the *i* icon), and links returning members straight to a help article if they have trouble logging in.

- New Members: Create the parent/guardian account first, then add athletes by selecting 'Add New Profile'.
- Returning Members: Access your previous account by entering your email address and selecting 'Forgot Password'.

Multiple Athletes (NEW): If you are registering more than one U6–U17 athlete, start with the oldest athlete first.

New Members

To create your new account, you will first be prompted to fill out your account details (first name, last name, and a password).

Create An Account screen.

UPDATED password rule: your password must now be at least 10 characters and contain at least one lowercase letter, one uppercase letter, and one numerical character.

You will then receive a verification code to your email. Use this code to complete your account setup, then review and accept the Privacy Policy when prompted.

Once your account is set up and you are logged in, you will be able to add your athlete's profile.

Existing Members

Access your existing registration account by entering the email address previously used for your athlete's registration.

Sign In screen.

As this is an updated platform, a password reset may still be required for accounts that haven't logged in before. Select 'Forgot Password' and follow the instructions in the reset email to create a new password and log in.

Note: If you do not see your previous athlete's details, or if you have changed or forgotten the email address you previously used, you can still register your athlete — you will simply need to create a new account first. Upon successful login, a list of your previously registered athletes will be displayed.

Selecting or Adding an Athlete Profile

After signing in, choose the athlete the membership applies to by clicking 'Select' next to their name, or click 'Add New Profile' to register a new athlete (First Name, Last Name, Date of Birth, and Gender).

Little Athletics Centre (Winter Season Only) Membership

Select the profile the membership applies to by clicking 'Select' next to their name.

If you're renewing a Family Membership, make sure you choose the **Lead Family Member**.

Don't see the right profile? Click 'Add New Profile' to create one.

For further assistance, visit [Help & Support](#) in the footer.

New Members: Create the parent/guardian account first then add athletes by selecting "Add new profile".

Returning Members: Access your previous account by entering email address and selecting forgot password.

Multiple Athletes: If registering multiple (U6-U17) athletes start with oldest athlete first ...

Select Profile / New Profile screen, with on-screen guidance.

NEW tip: If you're renewing a Family Membership, make sure you choose the **Lead Family Member** profile first.

Membership Types

UPDATED: membership names and options have changed on the platform. The current membership types are:

Membership Types

- First/Lead Memberships (U6-17)
- Additional Family Memberships (U6-17)
- Tiny Tots Memberships (U4-U5)
- Recreational Memberships (U18+)* Not all Centres May Offer this Membership
- Two Week Trial Membership (All Ages)

Current membership types shown at sign-up.

- **First/Lead Membership (U6–17):** If adding only one athlete, or the first U6–17 athlete in your family, select this option.
- **Additional Family Membership (U6–17):** If adding an additional U6–17 athlete from your family, select this option.
- **Tiny Tots Membership (U4–U5):** For a Tiny Tot athlete (U4–U5), whether they are your first or an additional family registration.

Recreational Membership (U18+)* (NEW): for athletes aged U18 and over. Not all Centres offer this membership — check with your Centre first.

- **Two Week Trial Membership (All Ages):** if you want a two-week Little Athletics free trial, select this option.

If you are registering more than one athlete, please start with the oldest one first.

For athletes eligible for the Under 6 age group or older, the appropriate membership is the First/Lead Membership. Registration options are age specific, so if you are registering a U4–U5 athlete, you will need to select the Tiny Tots Membership.

Membership Type selection — options are filtered based on the athlete's age.

Completing the Centre Membership Form

After selecting a membership type, you'll be asked to work through the following sections in order: Personal Details, Contact Details, Address, Additional Information, Disability and Medical Information, Membership Application and Declaration, and Sports Voucher.

Membership Application and Declaration

You will be asked to read and accept the Centre's Terms and Conditions before you can add the membership to your cart.

Terms and Conditions of Centre — tick 'Yes' to accept.

Sports Vouchers

NEW: the Sports Voucher section now displays an important notice banner at the top of the form.

Sports Voucher section, now with an Important Notice banner.

IMPORTANT NOTICE

Please ensure you are using the Medicare Number (Sports Voucher Code) that includes the child's reference number.

Sports Vouchers MUST NOT be used for Trial Memberships. They can only be used for Full Membership.

If you are using a Sports Voucher for an eligible school-aged child, provide the voucher details on the designated Sports Voucher form. A link to the official Sports Voucher website is provided on the registration page to ensure you have the correct and eligible details.

Important Additional Information

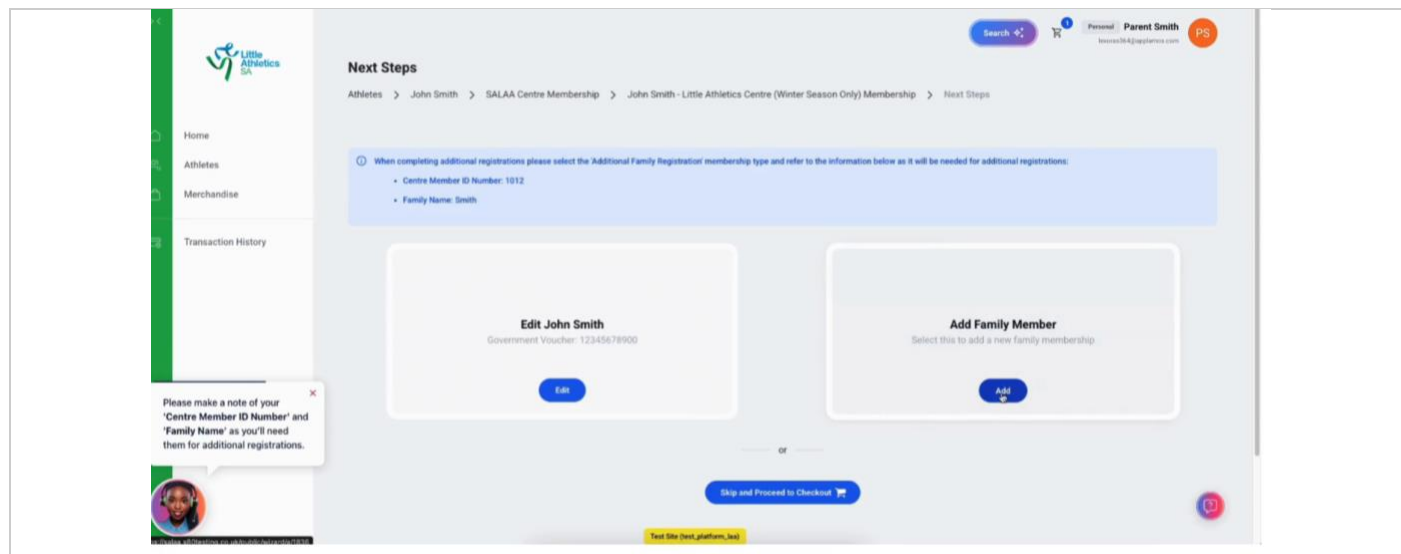

- Sport Voucher Discounts will be made prior to the checkout point.
- It is important that a parent does not use their Sports Voucher (Medicare Number) on a trial membership, as their number will be invalid when they attempt to use it again on the full registration. SALAA can work with the members/centres to resolve this if it does occur.
- In the event of any ineligible or incorrect Sports Vouchers, SALAA will follow up with the Centre and the Member to ensure communication is made regarding potential membership pausing or information needed to ensure that a valid membership continues.

Important Additional Links

Adding Additional (Family) Memberships

UPDATED: after adding your first athlete to the cart, you'll now land on a dedicated **Next Steps** page instead of a pop-up.

Next Steps page — Edit the athlete just registered, add a family member, or proceed to checkout.

Before you click 'Add Family Member', note the Centre Member ID Number and Family Name shown on this page.
You will need this information for any additional family registrations.

From the Next Steps page you can:

- Click 'Edit' to go back and edit the athlete you just registered.
- Click 'Add' under Add Family Member to register another athlete from your family and receive the family discount.
- Click 'Skip and Proceed to Checkout' once all athletes in your family are registered.

When completing an additional registration, select the Additional Family Membership option for that athlete's age group (e.g. 'Full Season Little Athletics Family/Additional Regular Membership') to receive the discounted family pricing.

IMPORTANT — Address Must Match

For a U6–U17 athlete to be linked and registered under an Additional Family Membership, the address entered on their profile must match the address on the First/Lead athlete's profile.

If the addresses don't match, the system won't recognise the athletes as part of the same family, and the Additional Family Membership discount won't apply. Double-check the Address section on each additional athlete's form before completing checkout.

Checkout

NEW: once all athletes have been added, you'll complete a Checkout step before your registration is finalised.

The screenshot displays the 'Checkout' page for Little Athletics SA. On the left is a green sidebar with navigation links: Home, Athletes, Merchandise, and Transaction History. The main content area is titled 'Checkout' and includes a breadcrumb trail: Cart > Add To Order > Checkout. Below this, the 'Billing Address' section has a checkbox for 'Use saved billing details' (unchecked) with the note 'Your Account Address will be used as your Billing Address'. The form fields include: Name (with a dropdown menu showing 'Parent'), Email (with a placeholder 'Enter email'), Country (a dropdown menu showing 'Australia'), Address Search (a search bar with a magnifying glass icon), Address Line 1, Address Line 2, Address Line 3, Town/City, State, and Postcode. A blue 'Continue' button is located at the bottom right of the form. To the right of the form is the 'Order Summary' section, which shows 'Items: 2', a 'Discount Code' field, and a breakdown of costs: Subtotal (\$280.00), Processing Fee (\$0.00), and Total (\$280.00). A blue 'Continue' button is also present at the bottom of the summary. A small notification bubble on the left side of the form reads: 'Please make a note of your Centre Member ID Number and Family Name as you'll need them for additional registrations.' The top right of the page shows a search bar, a user profile for 'Parent Smith', and a shopping cart icon.

Checkout — Billing Address and Order Summary.

Enter your billing details (or tick 'Use saved billing details' if your account address should be used), then review the Order Summary — including item count, subtotal, any processing fee, and a field to apply a Discount Code — before selecting Continue to complete payment.

IMPORTANT — Trial Memberships Still Require Checkout

If you are registering for the Two Week Trial Membership, you still need to complete the Checkout step, even though the order total will be \$0.00.

Your registration is not complete until you click Continue at Checkout — simply adding the trial membership to your cart is not enough.
